Violation Notice #1161163

STATEMENT OF PROBABLE CAUSE

(For issuance of an arrest warrant or summons)

I state that on 11/26/2023, while exercising my duties as a law enforcement officer in the Federal District of Arizona.

BLM investigators setup a camera system in the Lost Spring Area of Critical Environmental Concern (ACEC), near Colorado City Arizona, due to prolonged resource damage and natural resource theft.

I reviewed images from the camera system and saw that two pickup trucks had been hauling firewood from the Lost Spring ACEC: starting on 10/06/2023 and ending on 11/03/2023. Between the two trucks, they made 10 visits to the area.

I documented approximately 2 miles of newly created offroad travel, in the area where the vehicles were cutting firewood. Many of the newly created routes were used multiple times, causing defined and lasting routes in the area.

I obtained a vehicle license plate number, from the camera system, which led me to a suspect's address in Colorado City, AZ. I conducted a Field Interview (FI) with the owner of a Toyota Tacoma, Eric A. ROUNDY of New Harmony, UT.

ROUNDY admitted to driving his Toyota Tacoma, while pulling a trailer, offroad to retrieve firewood. The tread pattern from ROUNDY's Toyota Tacoma and trailer matched the offroad tracks at the woodcutting site.

I issued Eric A. ROUNDY a Mandatory Appearance Violation Notice for 43 CFR § 8341.1(b) Operation of OHV off designated areas or trails. ROUNDY signed and received the Violation Notice in person on 12/17/2023.

The foregoing statement is based upon:

☐ Information supplied to me from my fellow officer's observation
☐ Other (explain above)

I declare under the penalty of perjury that the information, which I have set forth above and on the face of the violation notice, is true and correct to the best of my knowledge.

I located the area where the group was cutting firewood. During a survey of the area, I located the following litter: 6-beer bottles (Michelob ULTRA and Coors Lite), 2-empty STIHL chainsaw bar oil containers, 4-protein G2 PROTEIN BAR wrappers, 2-empty plastic water bottles.
